

Hair Spa

Why Have a Hair & Scalp Spa?

Is your hair looking dull, feeling heavy from product buildup or in need of a detox? Or perhaps you simply want to indulge in a luxurious, relaxing treatment?

Our customised hair and scalp spa is tailored to your unique needs, improving scalp health and leaving your hair shinier, healthier, and more vibrant.

This luxurious service not only revitalises your hair but also helps reduce stress and tension. You'll enter a mindful, deeply relaxing experience—leaving you feeling refreshed, rejuvenated, and perfectly balanced.

The Original Creator of the Yume Japanese Hair Spa

Our signature Yume Japanese Hair Spa was created with the belief that a healthy scalp is the foundation for beautiful, thriving hair. Inspired by holistic techniques and advanced scalp care, this treatment is designed to rejuvenate both the scalp and soul, promoting optimal hair health and growth.

The word “Yume” means dream, making this a truly indulgent and transformative spa experience—a dream for your scalp and hair.

Experience the Ultimate Scalp Rejuvenation

Our Yume Japanese Hair Spa includes the renowned Takara Belmont Head Bath, combined with our exclusive Yume technique to deeply cleanse, nourish and restore balance to your scalp. Discover the dream spa experience that transforms your scalp and hair from the inside out.

Which treatment should I choose?

Mini Hair Spa

For deep conditioning & hydration.

If you're looking for a luxurious conditioning treatment, the Mini Hair Spa is perfect for you. This includes a deep conditioning treatment, a luxury head massage and the micro mist to ensure full hydration finished with a blow-dry of your choice.

Full Hair & Scalp Spa

For a complete detox & renewal.

If your scalp needs a full detox, the Full Hair & Scalp Spa is the ideal choice. It includes a scalp analysis, a targeted scalp treatment and a deep scalp scrub to remove buildup. We then apply a nourishing treatment to the mid-lengths and ends, paired with a luxury head massage – all finished with a blow-dry of your choice.

Yume Japanese Hair Spa

For the ultimate pampering and indulgence.

The perfect escape, whether you're seeking stress relief or a luxurious spa experience. This treatment deeply cleanses and hydrates your hair and scalp while providing deep relaxation. Finally, enjoy our signature waterfall hair bath for a truly rejuvenating experience.

Tailored scalp treatments for trichology patients

Our bespoke scalp treatment is designed to address a range of concerns, creating the ideal foundation for a healthy scalp and promoting hair growth.

Targeted Solutions

Psoriasis – Soothes irritation, reduces flaking, and calms inflammation.

Eczema – Hydrates and restores the scalp's natural protective barrier.

Dandruff & Seborrheic Dermatitis – Deep cleansing removes excess oil and flakes.

Oily/Greasy Scalp – Regulates sebum production and detoxifies the scalp.

Hair Thinning & Slow Growth – Boosts circulation and stimulates hair follicles.

The benefits are: Deep Cleansing & Detoxification • Increased Hair Growth • Reduces Scalp Inflammation • Tailored to Your Needs

Please note: an initial consultation with our Consultant trichologist is required before this service.
